United States District Judge

Re: United States v. James Young
Criminal Docket No. 23-475 (DLI)

Dear Judge Irizarry:

The government respectfully submits this letter to provide a further update regarding the status of the above-referenced defendant's transfer to a medical facility.

MDC counsel has confirmed to the government that the defendant has been assessed by medical staff at the medical facility previously identified under seal to the Court and defense counsel ("the Facility"), and that he was admitted with a care plan that includes rehabilitative therapy and laboratory testing.

Going forward, the government will file a status report on a weekly basis by the end of each Wednesday, beginning on December 27, 2023, even if there is no new information to report, or subject to such other schedule as the Court may direct.

The government also respectfully requests that the Court order the Bureau of Prisons and the United States Marshals Service not to transport or discharge the defendant from the Facility, absent emergency circumstances, without 48 hours' notice to the Court, the defense,

and the government, so that the Court and the parties may have the opportunity to address such transfer.

Respectfully submitted,

BREON PEACE
United States Attorney
